An enhancement of the rate by ~~is~~ contravenes the provision in Clause (b)(i) of Section 61 of the Municipal Regulation, ~~it~~ the proposed rate may perhaps be left undisturbed. If tolls are not to be levied on any of the items specified in para 15, whether a toll on asses alone may be levied is also a point for orders.

KOLAR TOWN MUNICIPALITY.- ENHANCEMENT OF RATES OF TOLL ON VEHICLES ENTERING MUNICIPAL LIMITS.

Sir,

I have the honour to state that this Municipal Council at their meeting held on 6-4-1929 proposed to raise the rate of levy of toll on vehicles entering the Municipal Limits of Kolar Town and caused a notification to be published in the three successive issues of the Mysore Gazette commencing from the 25th April 1929 calling for objections, in writing, if any, from the public to the proposed enhanced rates within one month from the date of its publication in the Gazette.

2 Seven objection petitions were received. The period of one month allowed for hearing objections being elapsed, the subject along with the objections petitions was placed before the meeting of the Municipal Council held on 7-8-1929. The Council after due deliberation resolved that the objections brought forward in the said petitions were not reasonable and however the rates of tolls proposed to be levied on the following items be reduced as shown against eac of them and the rest be passed as proposed in the notificati

On every vehicle with springs.	" 0-4-0	0-3-0

On every Bicycle or Tricycle	" 0-2-0	0-1-0

3. The Council has much liabilities to discharge and its financial condition is not encouraging enough and requires the revision of the existing rates and taxes. Besides, the Town is extensive and the present resources are barely sufficient to meet its routine expenditure. Many urgent improvements are postponed for want of funds. The enhanced rates finally passed by this Municipal Council are far below the maximum rates of Toll provided in the Municipal Regualtion.

4. In view of the above facts, I request you to kindly obtain sanction of Government to levy the enhanced rates of toll as finally passed by the Municipal Council at their meeting held on 7-8-1929.

5. A copy of the resolution of the Council together with the schedule of enhanced rates passed by the Council is herein enclosed for reference.

6. All the seven objections petitions received are also enclosed herein.

I have the honour to be
Sir,
Your most obedient servant

President,
Town Municipal Council, Kolar.
